

AI PROMPTING

Total Teams: 25 (Team Size : 1 or 2 members)

Shortlisting Teams: 8

EVENT FLOW

Round1: AI Image Generation Challenge

Duration: 10 Minutes

INSTRUCTIONS

- Submit your final image through the provided Google Form (one submission per team).
- Teams must complete the task within the allotted time.

DESCRIPTION

- All teams will be given the same theme.
- Based on the given theme, teams must create a detailed and well-structured prompt.
- Using their prompt, they must generate a high-quality AI image.
- Judges will evaluate the prompt quality, creativity, relevance to the theme, and the final AI-generated image.

Round 2: AI Startup Pitch Challenge

Duration: 20 Minutes

Description

Each team will receive a random theme such as (AI in Agriculture, AI in Healthcare, AI in Education, AI in Sports, AI in Environment, and AI in Finance)

Based on the assigned theme, teams must create:

- Startup Name
- Startup Logo
- Tagline
- 30-second AI-generated Advertisement Video
- 2-minute Startup Pitch

FINAL TWIST

Just before the presentation, every team will receive a surprise real-world scenario (such as an internet outage, new AI regulations, competitor launch, natural disaster, etc.).

Teams will be given **2 minutes** to adapt their startup idea and explain how their product or business would overcome the challenge.

GENERAL GUIDELINES

- Carry your College ID card at all times.
- Only one AI tool is allowed for image generation throughout the event.
- Inform coordinators/volunteers in advance about the AI tool used in each round.
- Use of prompt generators or pre-written prompts is strictly prohibited and leads to disqualification.
- Do not delete or modify prompts until results are announced.
- Plagiarism, unfair practices, or unethical behaviour will result in disqualification.
- Strictly follow time limits for each round.
- Judges' decision will be final and binding.

JUDGING CRITERIA

- Prompt quality, creativity, and optimization
- Quality and accuracy of AI-generated output and content
- Originality, presentation skills, and adaptability to the surprise challenge
