

SACRED CONNECTIONS

Total teams: 25

Event Venue: I33

Event Timings: 10.45 to 12.30 PM

ROUND 1: TECH CONNECT

FLOW:

1. Participants should be seated with their teams
2. Every team gets an easy question, medium question and hard question.
3. The question flow is designed so that all teams are given an equal opportunity to answer the easy questions first, followed by the medium-level questions, and finally the hard questions.

RULE:

1. If the team fails to answer the question within the respective time limit, then the question passes to the next team who raised their hands first and if their answer is correct they get half mark.

NOTE:

- Each question carries one mark.
- Hint will be provided for medium and hard questions.
- Out of all 25 teams, 8 teams will be shortlisted for the second round.

TIME GIVEN:

Easy qn: 30 secs

Medium qn: 45 secs

Hard qn: 60 secs

ROUND 2: IMAGE SEQUENCE

FLOW:

1. The shortlisted 8 teams are eligible for this round.
2. This round has 4 to 5 images to guess a word.
3. Participants need to guess the answer sequentially after revealing every single image. 4. If the respective team cannot find the answer with the first image within the time limit then second image is revealed.

RULE:

1. The team who raises their hands first always gets the chance to answer the respective image.
2. The team can only give three guesses for an image and there is no pass for the next team to guess the image.
3. Teams must finalize their answer within 30 secs after the image start displaying

NOTE

- If the team guess the word with the first image then they get 5 points, Second image :4 points, Third image :3 points, Forth image : 2 points, Fifth image: 1 point
- Out of 8 teams the top three teams win the event
