

GUIDELINES FOR TECHNICAL RESEARCH PRESENTATION

Team Formation

- A maximum of 3 participants is permitted in a team.
- The event is open to students of Engineering Colleges.
- Students from different institutions may form a single team.
- An individual can participate in only one team for this event.
- A team may register only one presentation per department. The same work must not be registered in multiple departments.

Presentation Categories

Participants may present any one of the following:

- Research Paper
- Project / Prototype
- Technical Poster

Project Domains

Presentations should focus on innovations, research, projects, prototypes, or technical developments in one or more of the following domains:

- Artificial Intelligence & Machine Learning
- Data Science & Big Data Analytics
- Cybersecurity
- Cloud Computing & DevOps
- Internet of Things (IoT)
- Blockchain & Web3
- Networking & Wireless Technologies

Projects covering Emerging Technologies and Interdisciplinary Innovations are also welcome.

Submission Requirements

Research Paper

- IEEE format is preferred.
- File formats: DOC, DOCX, or PDF
- Length: 6–15 pages

Project / Prototype

- Submit a project report (3–10 pages) describing:
 - Problem Statement
 - Methodology

- Implementation
- Results
- Future Scope

Technical Poster

- A1 or A2 size.
- Submit a digital copy in PDF format along with a one-page abstract.

Abstract

- Maximum **250 words**.
- The abstract should include:
 - Title of the work
 - Category (Research Paper / Project / Prototype / Poster)
 - Problem statement
 - Proposed solution or methodology
 - Key outcomes or expected impact

Presentation

Each shortlisted team will be allotted:

- **Presentation:** 7 minutes
- **Question & Answer Session:** 3 minutes

Participants should:

- Carry their College ID Card on the day of the event.
- Bring their presentation in PPT or PDF format.
- Make necessary arrangements for demonstrating prototypes, if applicable.

Shortlisting Process

- Submitted entries will be reviewed by a panel of judges.
- Only shortlisted teams will be invited to present on 08 August 2026.
- Shortlisted teams will be notified via the contact details provided during registration.

Evaluation Criteria

Presentations will be evaluated based on:

- Technical Content & Innovation
- Problem Identification & Solution Approach
- Methodology / Implementation
- Results & Validation
- Presentation Skills
- Response to Questions

Finals & Awards

- The top 2 teams from each department will advance to the final round, where they will compete with finalists from other departments.
- The top 3 teams overall will receive prizes and certificates.

General Rules

- All submissions must be original.
- Plagiarism or copyright infringement may lead to disqualification.
- The decision of the judges shall be final and binding. No correspondence or appeals regarding the results will be entertained.
